### Instructions:

1. Color *Wocto*, the walking octopus with crayons or a coloring tool of your choice.
2. Cut out each section of *Wocto* with scissors.
3. Layer the four cut pieces in order A, B, C, and D. (Piece "A" should be on the bottom and piece "D" should be on the top.) Center them all on the black dot.
4. Stick the paper fastener through the black dot and open it.
